VAT 201 SUBMISSION DATES UNCHANGED

You may have seen one of the many newsletters, emails and blog posts from other firms that were doing the rounds on Friday, announcing that your **eFiling** VAT 201 returns this month would have to be lodged by no later than 25 October.

If so, relax. SARS has announced that it will change the relevant legislation, and that

in the interim **eFiling** returns can, as usual, be lodged on or before the last business day of each month. We will give a bit more detail in our November newsletter which will be out shortly.

Remember that **physical** returns still have to be in by the last business day prior to the 25th of each month.
